Gentlemen:

The second annual meeting of the Gulf Coast Association of Geological Societies is currently set for November 6, 7, 8, 1952, with the Corpus Christi Geological Society acting as hosts.

A meeting of the Steering Committee is scheduled for Tuesday, January 8th, at 10 AM in the Rice Hotel (check desk), Houston, Texas. At that time we would like to make future convention plans.

At 9 AM, January 9th, we are meeting with the Executive Committee of the Houston Geological Society and representatives of the South Texas Geological Society in the Petroleum Club of the Rice Hotel for the purpose of strengthening our organization.

An extra copy of this letter is being sent to you for your alternates, as their addresses are not available at this time.

Every effort by you, or representatives, should be made to be present.

Merry Christmas to you all.

Sincerely,

W. M. Chaddick, Jr.

W. M. Chaddick, Jr., Chairman
Steering Committee
