Dear Mr. Bowling:

I wish to thank you for your letter of recent date inviting me to address the opening session of the annual meeting of the Gulf Coast Association of Geological Societies on November 15.

I assure you that I am appreciative of your kind invitation, and regret that because of an already crowded November schedule I will not be able to make definite plans to be present at this meeting.

I do believe, however, that your meeting is an important one and should be officially welcomed by a member of the Commission Council. If you so desire, please advise and I will be very happy to appoint a representative.

Sincerely yours,

*de Lesseps S. Morrison*
