

GCAGS TRAVEL & PRESENTATION GRANT PROGRAM GUIDELINES AND RESTRICTIONS

1. To qualify for a GCAGS Faculty or Student Travel & Presentation Grant, an applicant must (a) be an awardee of a GCAGS Faculty or Student Research Grant, (b) have a paper on his or her funded research topic accepted by the GCAGS for presentation at an Annual Meeting within one year after completion of the scholastic degree for which the research was conducted, or within four years after the Research Grant was awarded to that student, whichever occurs first, (c) prior to the presentation, submit an application for such grant to the Chairman of the Faculty or Student Grant Committee, and (d) be the actual presenter of his or her accepted paper.
2. Each Research Grant awardee who meets the above qualifications will be eligible for one Travel & Presentation Grant.
3. The amount of each Travel & Presentation Grant will be \$400. No expense documentation will be required.
4. Immediately following a GCAGS Annual Meeting, the Grant Committee Chairman will (a) verify that Travel & Presentation Grant applicants for that meeting actually gave their presentations and (b) provide the GCAGS Finance Committee Chairman with the information needed to issue the funds.
5. Distribution of the Travel & Presentation Grant funds to qualified applicants will be made within 60 days after the date of their presentations.
6. If an applicant for a Travel & Presentation Grant fails to give a presentation, he or she will not be awarded the Travel & Presentation Grant.
7. The Travel & Presentation Grant Program will be in effect for awardees of Student Research Grants in 2003 and later years, and will not be made retroactive.
